The diagram illustrates the correct installation of a roof rack. The circular inset shows the car with the roof rack installed, labeled 'A' with an equals sign and arrows pointing outwards. The main diagram shows a detailed view of the roof rack with a blue L-shaped bracket being inserted into a slot. Labels B, D, and F are near the bracket's end, and labels C, E, and G are near the bracket's tip. Red 'X' marks indicate incorrect insertion directions.
